

The 'ALF Year of Outreach' has been produced to help you reach the children in your community.

Central to the 'ALF Year of Outreach' is a club for children

The material provided can help you to create an outreach club, such as an 'ALF club'. This is an exciting club where unchurched children can have fun and find out about life and faith!

The 'ALF Year of Outreach' can also be used by existing children's groups. It can be run in a variety of ways and locations: churches, schools and community centres - whatever is best for your situation.

The 'ALF Year of Outreach' manual is an easy-to-follow guide that provides all you need to run an effective outreach amongst children.

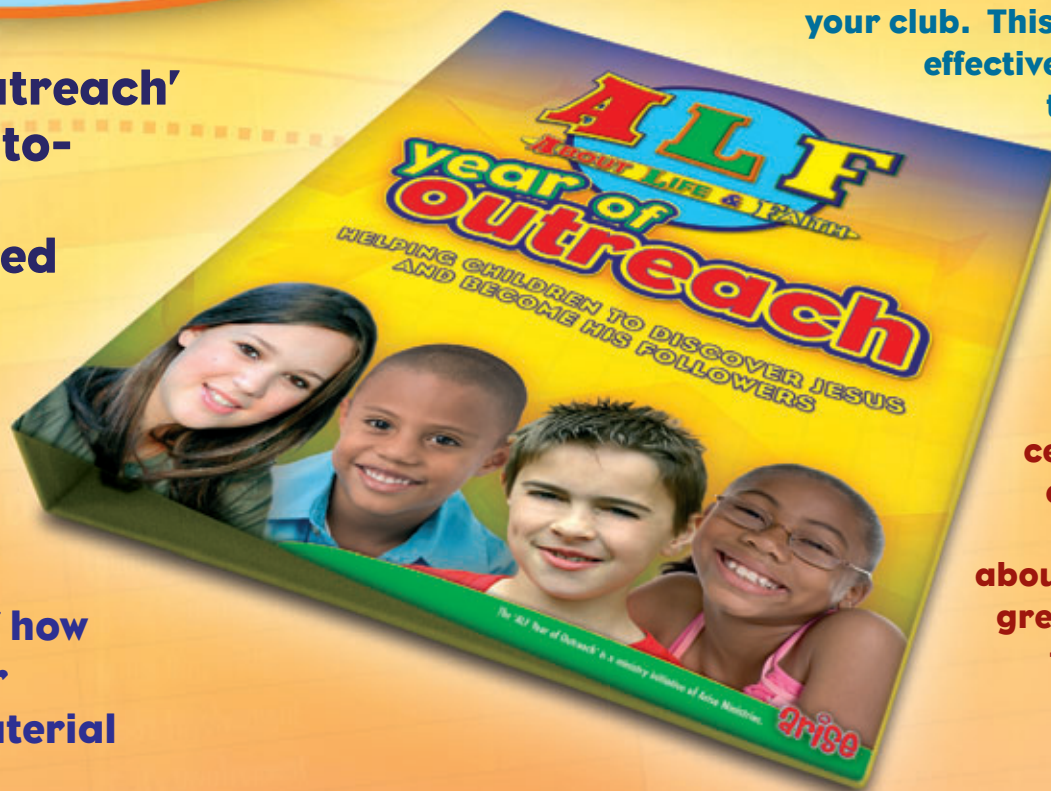

It contains:

- Practical advice
- A helpful overview of how the year fits together
- Ongoing support material

The manual includes sections that cover the following key areas:

### Starting out

All you need to know about getting started. Helps you to create a team of leaders and an outreach most suitable to your situation. Also provides practical advice on promoting your club.

### Running an effective outreach club

Advice and material to help you establish an effective framework for your club. This will help you to be effective in communicating the message of Jesus to the children.

### ALF Special Events

Outlines for Special Events to launch, celebrate and share the children's experiences as they discover more about Jesus. Also provides a great opportunity of sharing the Gospel message with the children's family and friends.

The manual also includes the 'ALF Year of Outreach' wallplanner.

This provides an overview of the whole year, including all of the sessions and Special Events.

The 'ALF Year of Outreach' provides high quality resources to help children to discover Jesus.

Children today are used to high quality and fun activities.

The resources within the 'ALF Year of Outreach', contain professionally produced DVDs and a huge variety of games, crafts and fun activities. Children will both enjoy these and, at the same time, learn about Jesus and how to become His followers.

## ALF Discovering Jesus

ALF focuses on discovery, enabling leaders to share the Gospel with children who may never have heard the Good News before.

ALF asks:

- Who is God?
- Who is Jesus?
- Who am I?

## ALF 2 Following Jesus

ALF 2 focuses on discipleship, helping children to take the first steps in following Jesus.

ALF 2 looks at:

- Getting started
- Living for God
- Kingdom living

ALF and ALF 2 contain teaching guides, resource manuals and DVDs full of teaching material and vox pops.
